Please submit new events by sending them to the GMOD Help Desk.

This shows both the GMOD Project calendar and the Galaxy Project calendar. These calendars are also available as RSS feeds:

- GMOD Calendar
- Galaxy Calendar

Other Calendars

- Galaxy events list
- Bioinformatics (journal) calender
- EMBnet events list
- International Society for Computational Biology calendar
- Nucleic Acids Research (journal) calendar

GMOD Event List

See the Training and Outreach and Meetings pages for lists containing only those types of events.

2013 Events

Date	Conference / Topic(s)	Location	Contact
2013			
July 19-23	**2013 GMOD Summer School** Training course on all things GMOD	NESCent, Durham, NC	GMOD Help Desk
June 30 - July 2	**2013 Galaxy Community Conference (GCC2013)** The Galaxy project's annual meeting.	Oslo, Norway	Dave Clements
April 7-10	**Biocuration 2013**	Cambridge, United Kingdom	n/a
April 5-6	**2013 GMOD Meeting** Colocated with and immediately before Biocuration 2013		Scott Cain
January	**PAGXXI** (Plant and Animal Genomes) See PAG 2013 for details of GMOD at PAGXXI	San Diego, CA	Scott Cain

2012 Events

Date	Conference / Topic(s)	Location	Contact
2012			
August 24-29	**2012 GMOD Summer School**	NESCent, Durham, North Carolina, United States	Scott Cain
July 25-27	**2012 Galaxy Community Conference (GCC2012)** The Galaxy project's annual meeting.	Chicago, Illinois, United States	Dave Clements

2	**April 2012 GMOD Meeting**		
April 5-6	Colocated with and immediately following Biocuration 2012	Washington, DC, United States	Scott Cain
April 2-4	**Biocuration 2012**		
January 23-25	**GMOD Workshop**	?eský Krumlov, Czech Republic	Scott Cain
January 8-21	**Workshop on Genomics** Covers a plethora of topics, including Galaxy		James Taylor
January 14-18	**Plant and Animal Genome XX (PAG 2012)** There will once again be a strong GMOD presence at PAG, including a *dedicated all-day GMOD Workshop*.	San Diego, California, United States	Scott Cain

2011 Events

Date	Conference / Topic(s)	Location	Contact
	IEEE Symposium on Biological Data Visualization (BioVis 2011), part of VisWeek		
October 23-24	The Galaxy Track Browser: Transforming the Genome Browser from Visualization Tool to Analysis Tool	Providence, Rhode Island, United States	Jeremy Goecks
October 12-13	**October 2011 GMOD Meeting**	Ontario Institute for Cancer Research (OICR), Toronto, Canada	Scott Cain
September 28-30	**Genome Annotation** Genome annotation using MAKER and Apollo.	UC Davis Bioinformatics Core	Barry Moore
September 19-22	**Genome Informatics Workshop @ Beyond the Genome 2011**	Washington, DC, United States	Lincoln Stein, James Taylor
July 15-19	**ISMB/ECCB 2011** Included the Bioinformatics Open Source Conference (BOSC) and plenty of GMOD-related content.	Vienna, Austria	Scott Cain
July 10-23	**Workshop on Comparative Genomics, North America** Sessions on BioPerl, Galaxy and GBrowse_syn	Fort Collins, Colorado, United States	Jason Stajich, Dan Blankenberg, Sheldon McKay
June 21-22	**Pathway Tools Flux Balance Analysis Tutorial**	SRI, Menlo Park, California, United States	Tomer Altman
June 9-12	**Arthropod Genomics Symposium** GMOD had a strong presence with a mixture of talks, poster, and these workshops:	Kansas City, Missouri, United States	Scott Cain, Dave Clements, Sheldon McKay
	Genome Project 101, June 9, 4:00-6:00 p.m.		

2011

	Comparative genomics with the generic synteny browser (GBrowse_syn): Configuration and display of various co-linearity data types, June 11, 10:30-Noon		
May 28-31	**European Human Genetics Conference 2011** Galaxy Workshop	Amsterdam, The Netherlands	Dave Clements
	2011 Galaxy Community Conference		
May 25-26	Two full days of presentations and discussion on extending Galaxy to use new tools and data sources, deploying Galaxy at your organization, and best practices for using Galaxy to further your research.	Conference Centre De Werelt, Lunteren, The Netherlands	Dave Clements
April 13-14	**NBIC Galaxy Hackathon**	Belgium (near Maastricht, the Netherlands)	NBIC
April 12-14	**Dynamically Scalable, Accessible Analysis for High-Throughput Sequence Data** (Galaxy)	Bio-IT World, Boston, Massachusetts, United States	Enis Afgan
	GMOD Americas 2011 This event includes:		
March 5-12	March 2011 GMOD Meeting Satellite Meetings - GMOD Americas 2011 2011 GMOD Spring Training (application deadline January 7)	NESCent, Durham, North Carolina, United States	Scott Cain, Dave Clements
February 19-22	**Galaxy Next Generation Sequencing Functionality from Sample Tracking to SNP Calling**	ABRF 2011, San Antonio, Texas, United States	Greg Von Kuster
February 2-5	**Management and Analysis of Second and Third Generation Sequencing Data with Galaxy**	Advances in Genome Biology and Technology (AGBT 2011), Marco Island, Florida, United States	Anton Nekrutenko, James Taylor
January 15-19	**Plant and Animal Genome XIX** There was a strong GMOD presence at PAG, including for the first time, a *dedicated all-day GMOD Workshop*.	San Diego, California, United States	Scott Cain, Dave Clements
January 9-21	**Workshop on Comparative Genomics, Europe** Sessions on Galaxy and GBrowse_syn	?eský Krumlov, Czech Republic	Anton Nekrutenko, Sheldon McKay

2002 through 2010 Events

	Date	Topic	Conference / Location	Contact
	November 15-16	**InterMine Workshop**	Department of Genetics, Cambridge, UK	Richard Smith
	November 8-12	**GMOD Tools For Evolutionary Biology Hackathon**	NESCent, Durham, North Carolina, United States	Dave Clements
	November 3-9	**Computational & Comparative Genomics** Included material on Galaxy and BioMart.	Cold Spring Harbor, NY, USA	William Pearson
	November 3-4	**UCSC Genome Browseer and Galaxy Workshops**	American Society of Human Genetics (ASHG), Washington DC, United States	Robert Kuhn
	November 2	**World Tour of Genome Browser and Galaxy of Analysis Tools**	Pre-ASHG workshop put on by OpenHelix including content on BioMart and Galaxy. Washington DC, United States	OpenHelix
	October 25-29	**Pathway Tools Workshop**	SRI International, Menlo Park, CA, USA	Tomer Altman
	October 11-14	**Biocuration 2010**	Tokyo International Exchange Center, Odaiba, Tokyo, Japan	Biocuration2010@ics-inc.co.jp
	September 13-16	**GMOD Europe 2010** This 4 day event included:	University of Cambridge, Cambridge, UK	Scott Cain, Dave Clements
		September 2010 GMOD Meeting		Scott Cain
		Satellite Meetings		Dave Clements
		InterMine Workshop		Richard Smith
		BioMart Workshop		Xose Fernandez
2010	**July 9-13**	**There was a *lot* of GMOD related content at ISMB 2010 this year.** See the ISMB 2010 page and flier for a complete list.	ISMB 2010, Boston, MA, USA	Scott Cain
	June 29-30	**GMOD for Evolutionary Biology**	iEvoBio 2010, Portland, OR, USA	Dave Clements
	June 10-13	**MAKER: Genome annotation made easy**	Arthropod Genomics Symposium, Kansas City, MO,	Carson Holt

		USA	
May 15-17	**First Galaxy Developers Conference**	Cold Spring Harbor, NY, USA	
May 6-9	**2010 GMOD Summer School - Americas**	NESCent, Durham, North Carolina, United States	Dave Clements
March 20-23	**GMOD Browser Tools and Exercises Workshop**	ABRF 2010, Sacramento, CA, USA	Mitch Skinner
March 3-5	**EMBO Workshop on Visualizing Biological Data (VizBi)**	EMBL Advanced Training Centre, Heidelberg, Germany.	Adela Valceanu
February 22-26	**Programmatic Access To Biological Databases (Perl)** This includes sessions on BioMart and DAS.	EMBL-EBI, Hinxton, UK	
January 14-15	**January 2010 GMOD Meeting**	San Diego, California, United States	Scott Cain
January 9-13	**The Generic Genome Browser: A Hands on Workshop for Installing, Configuring and Using Your Own GBrowse**	Plant and Animal Genome XVII Conference (PAG 2010), San Diego, CA, USA **See PAG 2010 for links to *many* talks and presentations.**	Scott Cain
	Comparative Genomics with GBrowse_syn: A hands on workshop for visualizing your comparative genomics data with GBrowse_syn		Sheldon McKay
	MAKER: An easy to use genome annotation pipeline		Carson Holt
December 8	**Database Tools for Biologists**	Texas A&M University, College Station, Texas, US	Dave Clements
November 16-17	**InterMine Data Warehouse Workshop**	Cambridge, UK	Richard Smith
	GMOD for Comparative Genomics	Information Systems for Insect Pests, Rennes, France	Dave Clements
October 28-30	**Database Tools for Biologists: A Half-Day GMOD Workshop** **Visualizing Next Generation Sequence Data with GBrowse and SAMtools** (poster)	Bioinformatics Australia 2009 (BA2009), Melbourne, Australia	Dave Clements

October 27-30	**GBrowse and Next Generation Sequencing Data**	Genome Informatics, Cold Spring Harbor, New York, USA	Scott Cain
	Genome Visualization and Comparison using CMap and Circos		Ken Youens-Clark
October 21-22	**Interactive Workshops on the UCSC Genome Browser and Galaxy Framework**	The American Society of Human Genetics (ASHG), Honolulu, Hawaii	
October 12-27	**Programming for Biology** Session on GBrowse.	Cold Spring Harbor Laboratory, Cold Spring Harbor, NY, USA	Scott Cain
	GMOD Europe 2009 This week-long event included:		Scott Cain, Dave Clements
August 3-7	**2009 GMOD Summer School - Europe**	University of Oxford, Oxford, United Kingdom	Dave Clements
	August 2009 GMOD Meeting		Scott Cain
July 20-23	**Biomedical Ontologies Tutorials**	International Conference of Biomedical Ontologies (ICBO), Buffalo, NY, USA	Barry Smith
July 16-19	**2009 GMOD Summer School - Americas**	NESCent, Durham, North Carolina, United States	Dave Clements
June 11	**Chado Databases and Integration with GMOD Tools**	2009 Arthropod Genomics Symposium, Kansas City, MO, USA	Scott Cain
June 11-13	**Seeing the forest *and* the trees: visualizing next generation sequence data**	Next Generation Genome Analysis in Non-Model Organisms, Storrs, CT, USA	Dave Clements
	Database Tools for Evolutionary Genomics: An introduction to GMOD software for managing, annotating and visualizing genomic data See below for links to individual talks.		Dave Clements
	Using GMOD for evolutionary genomics and next generation		Dave Clements
June 6		SMBE 2009, Iowa City, IA, USA	

		sequence data		
		The CMap Comparative Map Browser and Displaying Population distributions with GBrowse and PhyloGeoViz		Ben Faga
		Comparative genomics with GBrowse_syn		Sheldon McKay
		Simplifying genome annotation and functional genomics with MAKER?the easy-to-use genome annotation pipeline		Mark Yandell
	April 2	**Visualizing and Integrating Next Generation Sequence Data using GMOD**	Evolutionary Genetics - the impact of next generation sequencing technologies, Lutherstadt-Wittenberg, Germany	Dave Clements
	January 15-16	**January 2010 GMOD Meeting**	San Diego, CA, USA	Scott Cain
		See **PAG 2009** for links to many talks and presentations.		
	January 10-14	**Comparative Genomics with GBrowse_syn: A hands on workshop for visualizing your syntenic data with GBrowse_syn**	Plant and Animal Genome XVII Conference (PAG 2009), San Diego, CA, USA	Sheldon McKay
		The Generic Genome Browser: A Hands on Workshop for Installing, Configuring and Using Your Own GBrowse		Scott Cain
2 0	**October 30-31**	**InterMine Data Warehouse Workshop**	Cambridge, UK	Richard Smith
			London, UK	Peter Karp

08	**September 22-23**	**BioCyc / Pathway Tools Tutorial**		
	September 2-5	**Pathway Tools Tutorial**	Menlo Park, CA, USA	Peter Karp
	July 20-24	See **ISMB 2008** for a full list of GMOD related posters and presentations.	ISMB 2008, Toronto, ON, Canada	
	July 16-17	**July 2008 GMOD Meeting**	University of Toronto, Toronto, ON, Canada	Scott Cain
	July 11-13	**2008 GMOD Summer School**	NESCent, Durham, North Carolina, United States	Dave Clements
	June 4-7	**GMOD: Genomics Resources for Emerging Model Organisms**	American Genetic Association Annual Symposium, Raleigh, NC, USA	Dave Clements
	April 10-13	**Community Contributions to Genome Annotation (Apollo)**	Arthropod Genomics Symposium, Kansas City, MO, USA See GMOD at Arthropod Genomics for a complete list.	Christine Elsik
		Chado - A Database Schema for Integrating Biological Data		Scott Cain
		GMOD: Database Resources for Emerging Model Organisms		Dave Clements
	April 4-6	**GMOD: Informatics Resources for Evolutionary Research**	IGERT Symposium on Evolution, Development, and Genomics, Eugene, OR, USA	Dave Clements
		GMOD Tools for Comparative Genomics		
	January 15	**The Generic Genome Browser: A Hands on Workshop for Installing, Configuring and Using Your Own GBrowse**	Plant and Animal Genome XVII Conference (PAG 2008)	Scott Cain
2007	**November 5-7**	**November 2007 GMOD Meeting**	Cold Spring Harbor, NY, USA	Scott Cain
	November 1-5	**Digesting the Genome Glut: Promoting the Use and Extension of GMOD To Emerging Model Organisms**	Genome Informatics 2007, Cold Spring Harbor, NY, USA	Dave Clements
	August 23-24	**Hackathon 2007**	Northwestern University, Chicago, Illinois, USA	Scott Cain
	July 9	**The GMOD Project: Creating Reusable Software Components for**	Ohio Collaborative Conference on Bioinformatics at Miami University, Oxford, OH, USA	Scott Cain

	January 18-19	**Genome Data January 2007 GMOD Meeting**	San Diego, CA, USA	Scott Cain
2006	**June 29-30**	**June 2006 GMOD Meeting**	NESCent, Durham, North Carolina, United States	Scott Cain
	May 10-14	**An Example Comparative Genome Database for Yeasts Using GMOD Tools**	The Biology of Genomes, Cold Spring Harbor, NY, USA	Scott Cain
2005	**October 27-28**	**October 2005 GMOD Meeting**	Cold Spring Harbor, New York, before Genome Informatics	Scott Cain
	May 16-17	**May 2005 GMOD Meeting**	Menlo Park, California, at SRI	Scott Cain
2004	**October 4-5**	**October 2004 GMOD Meeting**	Cold Spring Harbor, New York	Scott Cain
	April 26-28	**April 2004 GMOD Meeting**	Cambridge, Massachusetts	Scott Cain
2003	**May 6-7**	**May 2003 GMOD Meeting**	Cold Spring Harbor, New York, before Genome Informatics	Scott Cain
	February 5	**February 2003 GMOD Meeting**	San Diego, California, coinciding with the O'Reilly Bioinformatics Technology Conference	Scott Cain
2002	**April 29-30**	**NIH 2002 Workshop on Model Organism Databases** The meeting where GMOD was born.	NIH, Bethesda, Maryland
